Privacy Act - The Privacy Act requires us to notify you that we are authorized to collect this information by section 205(a) of the Social Security Act. You do not have to provide the information requested. The data you provide, however, will allow the Social Security Administration to determine the age and/or citizenship of a person who is applying for Social Security or Supplemental Security Income benefits. If you do not complete this form, that person may not be entitled to benefits. We do not disclose the information you provide to any person or other government agency. We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it. Explanations about these and other reasons why information you give us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.
